

AQUAGLOW VITAMIN C

Vitamin C Shower Filter

Clean UP! Glow UP!

01 Product Introduction

The Inuvian AQUAGLOW Vitamin Shower Filter combines three benefits in one product: **skin brightening, chlorine removal, and aromatherapy**. It is a **premium Vitamin C filter manufactured in South Korea**, a global leader in dermatological and cosmetic products.

02 Filter Benefits

1 Improves Skin and Hair Health

- Contains a high concentration of Vitamin C to effectively eliminate chlorine from water.
- Protects the scalp and strengthens hair against chlorine damage.

2) Helps Brighten the Skin

- Prevents excessive melanin production, reducing spots and signs of aging.
- Stimulates collagen synthesis to promote skin regeneration.
- Improves skin elasticity and provides a visible brightening effect.

3) Aromatherapy Effects

- Available in fragrances such as lavender, rose, peach, and lemon for psychological relaxation.
- Helps relieve muscle pain and headaches.
- Improves sleep quality.

4) Pure and Safe Water

- Completely removes residual chlorine and impurities from water.
- Ideal for sensitive skin, eczema-prone, or acne-prone skin.
